## In the Women's Fashion Salons

New Suits, Coats and Dresses  
Arriving Daily

Our buyer spent last week in New York making selections of late new things.

They are now arriving by every express. It isn't because we have a thousand or more garments to show you, that the new stocks are so wonderful, (it is because of their variety). Well may we ask where else will you have the pleasure of looking over an assemblage of coats, suits, blouses, dresses and millinery, such as the crystal wardrobes now contain?

The predominating note of fur is everywhere pre-eminent.

Large muffler collars and deep cuffs and often fur on the bottom of the coats and skirts.

The new street and afternoon dresses go from \$15.00 to \$45.00. They are highly interesting with their fashion touches. There are lots of combinations of serge and taffetas, also all-serge, chiffon or crepe combination with taffeta, crepe de chine, Charmeuse, pussy willow and puppy skin, crepe meteor, panne velvet and velveteen.

The coats are wonderful in their swagger lines, and deep rich dark color tones. Fur fabric that resemble Hudson seal, plush, velvet, broadcloths and mixtures. Presenting a truly wonderful collection, such as many have seen only in the cities. Certainly no other store hereabouts.

The store that gives the most value will get the largest single share of your business, and it is our idea to meet the people here with what they want.

## Plenty of the Fine, New Curtain Madras

Surely it is not possible elsewhere to find so many beautiful kinds of curtain material, both in American and such as European makes, in their perfection, at such low prices. For, despite the difficulty of getting anything over from Europe, and for that matter, from our own American mills, we can show our customers as great a variety—of as desirable kind and colors—as they found here last year, and at prices no higher than then.

Real Scotch madras in plain white and natural, 36 inches to 45 inches wide, 25c to 50c; also in the colored figures, 42 inches wide to 48 inches from 40c to \$2.00 a yard.

Draperies in sun-fast colors, in Moire, and figured; colors—gold, blue, red, tan, dark green and rose; also stripes in green and tan, alternating; likewise in brown and gold. Prices 50c to \$1.25 a yard.

We have just received a new line of curtain laces in the ivory shade, at medium prices. They are shown in pretty all-over and floral or conventional designs; 40 inches wide. price 50c and 65c.

## Tomorrowa Sale of Black Hats, Untrimmed For More Women on the 2nd Floor Millinery Salon

This is a very special sale of untrimmed hats of black plush and erect pile velvet at \$1.69 each.

Not one hat in the lot worth less than \$3.00 and most of them are \$3.50 values.

## Millinery Extra Untrimmed Hats, \$1.69

There are four shapes and twelve of a kind to each style, including the very smart high crown sailor, medium crown sailor, another turban, and, lastly Colonial; the values are extraordinary. It is possible with the various smart trimmings to produce as many different styles as there are hats.

Special tomorrow, \$1.69 each.

Flattering as only black can be to a woman. Can't you see how charming they are going to look with the dark suits with fur and your light spats?

Many of these black hats will be trimmed in the white fox, beaver skunk and Hudson seal, and you can think how pretty they will look.

### Choral Club Meets.

The opening meeting of the winter season of 1915-1916 of the Choral Club, under the auspices of the Marcato Music Club was held Tuesday evening in the auditorium of the Central Christian church with Mrs. Lee Williams as leader and Mrs. Homer Williams at the piano. There were thirty-eight members in attendance and the study of Mendelssohn's "Hear My Prayer" and the chorus "Hallelujah" from Handel's Messiah was most earnestly rehearsed, showing that members were much interested in their work for the new year. Mrs. Williams was much encouraged and flattered by the large attendance at the first meeting and cordially invites all musical people of Clarksburg to become members.

The chorus club calls for no dues and all music is supplied free of charge. The next meeting will be held at 7:30 o'clock Tuesday evening, October 26, in the Central Christian church and the rehearsals are limited to one hour; therefore, it is hoped that all members will be prompt in their attendance so as the study work can begin at 7:30 o'clock.

#### Fruit Drink.

To each pound of picked fruit allow half a pound of sifted sugar. Wash the fruit well, place it in a saucepan and add to each pound of it three-

quarters of a pint of water. Simmer a jelly bag and bottle.

#### Macedoine of Fruit.

Set a jelly mold into a pall of rough ice and salt. Arrange the fruit according to fancy between layers of clear, well-sweetened jelly, flavored with some cordial or lemon and orange juice. If the jelly be poured into the mold an hour before required, the outside will be sufficiently frozen and the inner part will be as firm as can be desired.
